19th January 2017

HAPPY NEW YEAR!

Welcome back! I hope you all had an enjoyable and restful break. The children have made an excellent start to the term, beginning new class themes and getting back into routines after the break! Our new round of enrichment clubs have begun so hopefully your child has come home to tell you all about their experiences! We have lots of parent workshops scheduled for this term so be sure to check the dates below and try to join your child on the date listed. The sessions will give you opportunities to see how subjects and key skills are taught in our school which should help when supporting your child with their learning at home. Please do try and attend, we look forward to seeing you there. Early years also have lots of visits planned, to which parents are also warmly invited to attend (please see list of dates below).

If any parents would be interested in helping me and Mrs Iqbal set up a PTA (Parents and Teachers Association) to help with fund raising and other school events in the future, we would love to hear from you. We think it would be a real asset to the children and the school if we had a group of parents on board to enhance children's social and fundraising events in school and would really like to get this up and running this year. Please do come and see us if you would like to help!

On a different note, I have received feedback recently about some possible school website problems. If you have been affected, please accept my apologies. I am looking to this as a matter of urgency and will get back to you as soon as changes have been made. In the meantime, all paper newsletters will be sent home to you and information text messages will continue to be sent. If there's anything you need from the website but can't find, please see any member of the team and we'll be happy to help.

Attendance

Week Ending	Best Class
16.12.2016	4
6.1.2017	4
9.1.2017	3
