*King George V Primary School
Behaviour Policy*

February 2017

Introduction

Rationale

The philosophy of the Behaviour Policy of King George V Primary School is embodied in our rights and expectations. This policy should be read in conjunction with the Physical Intervention, Safeguarding, Inclusion, Exclusion, Equal Opportunities/Anti Bullying and Anti Racist policies and the Home School Agreement.

King George V Primary School promotes a high standard of behaviour and an atmosphere where all members of the school are valued as individuals. The school believes in the development of self esteem, respect for others and learning to manage your own behaviour.

Children are expected to take part in all activities to the best of their ability by listening carefully, answering and asking questions and by engaging in active learning.

At King George V Primary School, a great emphasis is placed on positive reinforcement of behaviour through praise. Children's confidence and self-esteem are developed through encouragement, incentives and rewards, both verbal and tangible. House points and other rewards are given for following school rules and behaving in accordance to our school values.

Aims

- To ensure that all children clearly understand the behaviours expected from them.
- To ensure that positive behaviour is rewarded and consequences for inappropriate behaviour are fair.
- To encourage children to be responsible for their own behaviour.
- To provide clear guidelines and ensure a consistent approach.

Consequences

When children's behaviour falls below an acceptable standard, a range of sanctions may be used. All staff refer to the school's Behaviour Chart, shown below, to ensure sanctions are administered fairly and consistently.

At King George V we expect all pupils to behave correctly in order that everyone in school can be happy and safe!

Early Years Foundation Stage

This policy is to be read in conjunction with the whole school Behaviour policy. However, it is recognised that three, four and five year olds are still learning how to work with and get along with each other and are finding out what's acceptable and what's not. This is the type of learning which is best shared by parents and school working together. We are tolerant and patient when helping the children get on with each other. We have a few rules to help things run smoothly, they are as follows:

- Keep your hands and feet to yourself.
- Speak kindly to others.
- Walk around the classrooms.
- Sit quietly and listen when a teacher is talking or reading a story.
- Use the books and resources sensibly, taking care to look after them.
- Take turns and share.
- Use the toilets sensibly.

Red, green and amber faces are used in conjunction with the category system.

Lunchtime

The consequences used will be similar to those used by class teachers and all lunchtime staff follow the school's lunchtime behaviour policy.

Category 1	Reminder and warning given.	Any adult	Verbal warning
Category 2	Incident recorded behaviour log A. Missed time/reflection area.	Any adult Lunchtime leader	Behaviour log sent to DHT Miss outdoor time Yrs 1,2,3 -5Mins Yrs 4,5,6 -10Mins
Category 3	Sent to lunchtime leader. Incident recorded on behaviour log B and sent to reflection area for remainder of lunchtime.	Any adult Lunchtime leader Community links leader/Learning mentor	Behaviour log sent to DHT, parent informed
Category 4	Incident recorded in behaviour log	Lunchtime leader DHT HT (Exclusions)	Behaviour log sent to DHT, parent informed / possible exclusion

Rewarding good behaviour

Each class supervisor will actively seek children displaying positive behaviour and stickers will be issued. They will then use this information to nominate a pupil from each class, who will gain a **Lunchtime Certificate**. The Deputy Head Teacher is to be informed of awards every Thursday after lunchtime. Certificates will be given during Friday assembly.

Lunchtime Award:

- Receive a certificate during assembly.
- When the lunchtime bell goes, children can choose a peer and go straight to dinner. They will sit at the top table which has been dressed.

Lunchtime supervisors are only able to support children effectively by applying strategies and processes that promote an orderly, positive and supportive environment.

This document forms part of King George V's School behaviour policy. It is a usable framework for issuing rewards and sanctions.

Severe behaviour

In cases of extreme behaviour, including violence, vandalism, theft, sexually inappropriate behaviour, racism or defiance, the senior leadership team will intervene immediately and complete a behaviour log. Parents will be informed if deemed appropriate.

Persistent Challenging Behaviour

School Action

An IBP (Individual Behaviour plan) will be written and/or a behaviour diary will be set up. It will include specific targets and rewards agreed by the child, class teacher and member of the senior leadership team. The diary may be used for a particular time of the school day e.g. lunchtime. This will be reviewed at the end of an agreed period.

School Action Plus

If School Action does not lead to improved behaviour, advice is sought from inclusion support and other agencies eg. PPE team

Monitoring

The DHT monitors behaviour in order to support those pupils at risk of exclusion and look for patterns in behaviour. The outcomes are reported to governors during the behaviour & safety committee. Children who are close to exclusion will be offered a behaviour contract/behaviour plan in consultation with their parents.

Exclusion

A child can be excluded for a fixed term for behaviour including disruption, verbal abuse, defiance, racial abuse or bullying. The decision to exclude can only be made by the Head Teacher or Deputy Head Teacher.

On the child's return to school, parents must attend a meeting with the head teacher to discuss a reintegration plan which both supports and monitors the child. The child at this stage may also be supported by the inclusion support team.

Permanent exclusion

The decision to permanently exclude can only be taken by the Head Teacher (or Deputy Head Teacher if the Head Teacher is not on site). A decision to exclude pupils permanently should only be taken:

- a) in response to serious breaches of the school's behaviour policy: and
- b) if allowing the pupil to remain in school would seriously harm the education or welfare of the pupil or others in the school

*Behaviours that warrant **permanent exclusion** include continued disruption, physical assault, possession of a weapon, sexual abuse / assault, supplying an illegal drug. Serious one-off incidents, as well as persistent inappropriate behaviour, can lead to permanent exclusion. The Pupil Discipline and Complaints committee of the governing body will be involved in permanent exclusions.*

In serious cases, the police may be informed by the Head Teacher or Deputy Head Teacher, in order to seek advice and prevent further escalation of the problem.

Bullying Incidents

The school has a separate policy for dealing with incidents of bullying. Incidents of bullying are recorded, logged and monitored.

Racist Incidents

These are recorded, logged and monitored.

Discrimination Incidents

These are recorded, logged and monitored.

Through our SMSC and PSHE policy we aim to teach children tolerance of others and respect for the beliefs, lifestyles and personal choices of individuals. We do not tolerate any form of discrimination, whether this be linked to religion, homophobia or any form sexual prejudice.

Mental Health and Well Being

Intervention is in place to offer support to those who need it - to talk, work on life skills, build relationships and be given opportunities to have support in accessing the curriculum.

Physical Intervention

It is the responsibility of all staff to follow the guidelines published by the Department for Education for 'The Use of Reasonable Force in Schools'.

<https://www.gov.uk/government/publications/use-of-reasonable-force-in-schools>

All staff must ensure that they read this documentation.

It is the responsibility of all staff to respond to good and unacceptable behaviour as it happens. Staff must address behaviour calmly and in an appropriate manner. All staff must model respectful behaviour.

Monitoring, evaluating and reviewing

The school will review this policy annually and assess its implementation and effectiveness. The policy will be promoted and implemented throughout the school by all staff.

This policy has been produced using the guidance and documentation from the DfE. These include:

- Preventing and tackling bullying (March 2014)
- Behaviour and discipline in schools (February 2014)
- Use of reasonable force (July 2013)
- The education and inspections act 2006
- The equality act 2010
