Many people, one school. Proud of who we are.

22<sup>nd</sup> May 2018

Dear Parent/Carer,

During the course of the school year, we may sometimes wish to take photographs or video recordings of children within school or on school trips, either for our own records, for use as part of our learning curriculum or for inclusion in our promotional material such as the school prospectus or website.

To comply with the new General Data Protection Regulation (May 2018), we need to ask for your consent before the school record or use any images of your child. In view of this please could you read the statement below and then complete the slip attached and return to the school office within the next 10 days.

1. We may record your child's image on our school ipads to use for evidence of learning.
2. Your child's name may appear with the images displayed in and around school.
3. We may display your child's image around school along with their work.

This consent form will be effective until the term after your child leaves school, unless your circumstances change, in which case you can withdraw consent. This can be done by informing the school office.

If you have any queries please do not hesitate to contact the school.

Yours sincerely,

  
Miss S Penny  
Head Teacher
