Vision & Values Statement

2026-27

At our school, we believe every child can shine. We help each other to learn, grow and achieve our dreams by being resilient, curious and ambitious. We show kindness, take pride in who we are and celebrate all that we can achieve together.

Our Core Values

I show curiosity by asking questions, noticing things around me, and wanting to find out more so I can understand the world better

I show resilience by persevering when things are hard, learning from my mistakes, and not giving up even when I find something difficult.

I show **ambition** by always trying my best. I dream big and believe that I am capable of achieving anything I work hard at.

I show kindness by always treating others with care and respect, thinking about their feelings, and trying to help people when I can.

I show pride by doing my best, celebrating success, taking care of our school and being proud to belong to our community.
