COMMENT			SCHOOL RESPONSE		
We trust the school's judgement on the delivery of PSHE & RHE.			We will continue to review our curriculum offer and consult parents/carers if we intend to make any changes to our planned curriculum.		

The Senior Leadership Team has discussed these responses with the Governing Body. They do not consider, following a review of feedback from parents/carers, that there is a need to review or adapt the planned teaching of RHE this year. Therefore, the school shall continue to implement from September 2021.
